Highlanders F.C Board on AGM and Executive Committee Members elections

The club would like to state the following as regards the Highlanders Football Club AGM and Executive Committee Members elections set for the 31st January and 7th of February 2021 respectively;

- 1) Due to the Covid-19 pandemic rules and regulations, the negative responses received from the police and relevant sporting authorities and broad consultation on the matter, the force majeure circumstances in which the club finds itself necessitates that we postpone both the AGM and elections until such a time that the relevant authorities sanction the activities, the pandemic is beyond anyone's control.
- 2) Out of necessity and practical considerations, the current Executive Committee will continue until elections are held.

Luke Mnkandla
